Hello, my name is Louise Greene and I would like to introduce myself to you all. I have worked at Oldfield School for almost 10 years. During that time I have worked in each year group and have enjoyed working with children that have a variety of different needs.

I am currently working in Year 5 as a Teaching Assistant, I am also a school Governor for Safeguarding, Child Protection, and represent the Support Staff.

One of the most rewarding aspects of my job is the ELSA role. ELSA stands for 'Emotional Literacy Support Assistant'.

I work with individual children to help them recognise, understand, handle and appropriately express emotions. I strongly believe that one of the core activities of education is to help individual children develop their own sense of value and self-esteem, while at the same time maintaining that of others.

Please feel free to contact me via the school office.
